

Dear Unit holder,

**Subject: Merger of HDFC FMP 1372D September 2018 (1)-Series 42 on maturity into HDFC Corporate Bond Fund**

Thank you for your investment with HDFC Mutual Fund.

**I. Proposals:**

We would like to inform that HDFC Trustee Company Limited (“the Trustees”), Trustee to HDFC Mutual Fund (“the Fund”) has decided to merge **HDFC FMP 1372D September 2018 (1)-Series 42 (Merging Scheme)** on maturity date into **HDFC Corporate Bond Fund (“the Transferee Scheme”)** with effect from close of Business Hours on June 30, 2022 (“Effective Date” i.e the maturity date of the Merging Scheme) (next Business Day, if the Effective Date happens to be declared as a non-Business Day).

**Rationale for Merger:**

The merger will help investors in the Merging Scheme to continue with their investments in a portfolio of high quality Corporate Bonds. Additionally, the merger will be more tax efficient as it will not force capital gains on them on maturity and investors can continue to avail of the indexation benefits till the time they choose to remain invested. Further, the unit holders are free to choose their date of redemption anytime after merger to meet their liquidity requirements.

The merger will not result in emergence of any new scheme as the Merging Scheme on maturity will be merged in the Transferee Scheme. Post-merger, there will be no change in features of the Transferee Scheme and the investments under the Transferee Scheme will be in accordance with the investment objective and asset allocation of the Transferee Scheme.

Please refer enclosed **Annexure 1** for details pertaining to merger to be provided as per SEBI Circular no. SEBI/MFD/CIR No. 05 / 12031 /03 dated June 23, 2003 as amended from time to time.

**II. Public Notice:**

Notice-cum-addendum informing the unitholders about the proposed merger has also been published in May 17, 2022 issues of The Financial Express and Navshakti newspapers for the benefit of the Unit holders.

**III. NOC from SEBI:**

The proposed merger of scheme tantamounts to a change in fundamental attribute of the Merging Scheme and has accordingly been approved by the respective Board of Directors of the HDFC Asset Management Company Limited (“the AMC”) and the Trustees to the Fund. The Securities and Exchange Board of India (“SEBI”) has also vide its communication dated May 12, 2022 noted the proposed merger.

**IV. Consequences of Merger:**

Unit holders of the Merging Scheme who have provided consent for the merger will be allotted units under the corresponding Plan / Option of the Transferee Scheme at the Net Asset Value (“NAV”) of the Effective Date of the merger. Provided that, where units are held without distributor code in the Option / Plan of the Merging Scheme or where ARN is invalid, units of equivalent value in the Direct Plan of the Transferee Scheme under the corresponding Option will be allotted. Accordingly the assets and liabilities of the Merging Scheme will be taken over by the Transferee Scheme upon Merger and the Merging Scheme shall cease to exist.

Illustration on Basis of Allotment of units upon Merger for a consenting unitholder:

Effective Date of Merger		30.06.2022
--------------------------	--	------------

NAV per unit of the Plan / Option of the Merging Scheme as on 30.06.2022	(A)	₹20.000
Units outstanding in Merging Option as on 30.06.2022	(B)	50.000
Outstanding value in Merging Scheme 30.06.2022 before merger	(A) X (B) = (C)	₹1000.00
NAV of the corresponding Plan / Option of the Transferee Scheme as on 30.06.2022	(D)	₹25.000
Units allotted in the corresponding Plan / Option of the Transferee Scheme on 30.06.2022	(C) / (D) = (E)	40.000
Value of the units allotted in the Transferee Scheme on 30.06.2022 post merger	(D) X (E) = (F)	₹1000.00

As can be seen above, the value of units held by an Investor before and after the merger will be the same.

Please note that the aforesaid is only an illustration and the actual number of units to be allotted under the Transferee Scheme will be determined by the value of units held in Merging Scheme and the NAVs of Merging Scheme and Transferee Scheme on the Effective Date of Merger.

- (i) In case of any pledge / lien / other encumbrance marked on any units held in physical mode in the Merging Scheme, the same shall be marked on the corresponding number of units allotted in the Transferee Scheme. In case of units held in demat mode, debit / credit of units under merger and release / re-marking of pledge/ lien / other encumbrance on any units shall be dealt with in accordance with the concerned depository's rules and procedures.
- (ii) A fresh account statement reflecting the new units allotted under the Transferee Scheme, will be sent to the Unit holders of the Merging Scheme by the Fund. Upon allotment of units in the Transferee Scheme, all provisions under the Transferee Scheme will apply. However, the period of holding for the purpose of exit load, if any, will be computed from the date of allotment of corresponding original units in the Merging Scheme.

This scheme has exposure to floating rate instruments and / or interest rate derivatives. The duration of these instruments is linked to the interest rate reset period. The interest rate risk in a floating rate instrument or in a fixed rate instrument hedged with derivatives is likely to be lesser than that in an equivalent maturity fixed rate instrument. Under some market circumstances the volatility may be of an order greater than what may ordinarily be expected considering only its duration. Hence investors are recommended to consider the unadjusted portfolio maturity of the scheme as well and exercise adequate due diligence when deciding to make their investments
