FOR	AGAINST	Mr. Saurav Adhikari, 64, is Founding Partner and Senior Partner at Indus Global TechVentures LLP. Although his reappointment is in line with statutory requirements, we believe the board failed to provide sufficient oversight. ZEEL's shareholders did not support Punit Goenka's reappointment to the board at the 2024 AGM, which, in our opinion, is testimony of investors wanting a change in management and control. During Punit Goenka's tenure, the company has experienced a failed merger, heightened regulatory scrutiny, and erosion of shareholder value. Despite this, the board has continued to back Punit Goenka, enabling him to remain in charge despite not holding a board position. It further proposed to issue warrants to the promoter group allowing them to increase their equity in ZEEL to 18.39% from the current 3.99% - we believe this decision undermined the voice of non-promoter shareholders. The resolution was ultimately rejected by shareholders, reinforcing, in our opinion, concerns about governance and the need for leadership change. Considering these developments, we believe the long-term interests of non-promoter shareholders would be best served by a complete reconstitution of the board with an independent and unconflicted slate of directors. We do not support the resolution.

FOR	AGAINST	The commission paid to Non-Executive Directors between FY21 and FY25 ranged from 0.2% to 0.4% of standalone profits before tax. The company now seeks shareholder approval to pay commission to Non-Executive Directors upto 1.0% of net profits per annum for five years from FY26. The commission will be paid in addition to sitting fees for attending board and committee meetings. We believe the board failed to provide sufficient oversight. ZEEL's shareholders did not support Punit Goenka's reappointment to the board at the 2024 AGM, which, in our opinion, is testimony of investors wanting a change in management and control. During his tenure, the company has experienced a failed merger, heightened regulatory scrutiny, and erosion of shareholder value. Q2	20-09-2025	Ramkrishna Forgings Limited	AGM	Management	To receive, consider and adopt the Audited Financial Statements (including the Consolidated Financial Statements) of the Company for the Financial Year ended 31 March, 2025 together with the Director's Report and the Auditor's Report thereon.	FOR	AGAINST	We have relied upon the auditors' report, which has issued a qualified opinion on the financial statements due to inventory overstatements of Rs. 2.2 bn for FY25 and Rs. 0.5 bn for FY24. The company appointed an external agency to find the root cause of these overstatements. The Interim Joint Fact-Finding Report of the Independent External Agencies confirmed that certain erroneous entries / non-recordings of rejections at plant resulted in overstatement of WIP / raw material / scrap inventory in FY25 and FY24 by Rs. 2.2 bn and Rs. 0.5 bn respectively. Given the audit qualifications, we do not support the resolution.
Q2	20-09-2025	Ramkrishna Forgings Limited	AGM	Management	To appoint a Director in place of Mr. Naresh Jalan (DIN: 00375462) who retires by rotation and being eligible, offers himself for re-appointment.	FOR	AGAINST	Mr. Naresh Jalan, 49, is Chairperson and Managing Director and part of the promoter group. He has more than 26 years of experience in the forging industry. We raise concerns that the statutory auditors have qualified the financial statements due to inventory overstatements of Rs. 2.2 bn for FY25 and Rs. 0.5 bn for FY24, which has impacted the company's net worth by Rs 2.02 bn. Further, the auditors have issued a disclaimer of opinion on the company's internal financial controls as they were unable to obtain enough evidence to assess whether the company's internal financial controls were effective as on 31 March 2025. We believe that as the Managing Director, he is accountable for the lapse in the internal financial controls. Given this, we do not support his reappointment.
Q2	20-09-2025	Ramkrishna Forgings Limited	AGM	Management	To appoint a Director in place of Mr. Lalit Kumar Khetan (DIN: 00533671) who retires by rotation and being eligible, offers himself for re-appointment.	FOR	AGAINST	Mr. Lalit Kumar Khetan, 55, is Executive Director and Chief Financial Officer. He has been the CFO since May 2018 and has been on the board of the company since 20 October 2020. We raise concerns that the statutory auditors have qualified the financial statements due to inventory overstatements of Rs. 2.2 bn for FY25 and Rs. 0.5 bn for FY24, which has impacted the company's net worth by Rs 2.02 bn. Further, the auditors have issued a disclaimer of opinion on the company's internal financial controls as they were unable to obtain enough evidence to assess whether the company's internal financial controls were effective as on 31 March 2025. FOR	AGAINST	Mr. Lalit Kumar Khetan, 55, is Executive Director and Chief Financial Officer. He has been the CFO since May 2018 and has been on the board of the company since 20 October 2020. Further our view on this resolution is linked to our view on resolution #3 – we do not support his reappointment as Whole-time Director and CFO given his accountability for the lapses in internal financial controls. We do not support the resolution.
Q2	20-09-2025	Ramkrishna Forgings Limited	AGM	Management	Approval of Waiver for Recovery of Excess Remuneration to the Directors of the Company for the Financial Year 2024-25.	FOR	AGAINST	The company seeks waiver of excess remuneration aggregating Rs. 69.3 mn paid to the directors for FY25 due to inadequate profits. In a year when the company's consolidated PBT declined by 62.8% and inventory overstatements led to a net worth erosion of Rs. 2.02 bn. Further, the rationale for paying commission to the Chief Financial Officer and Audit Committee members is unclear when the auditors have issued a qualified opinion on the financial statements and a disclaimer of opinion on the internal financial controls due to lack of sufficient audit evidence. The company has not declared any dividend for FY25, yet commission payout to directors is being proposed, raising concerns over the alignment of remuneration and company performance. We do not support the resolution.

Q3	02-11-2025	JK Paper Limited	CCM	Management	Scheme of Arrangement for amalgamation of JKPL Utility Packaging Solutions Private Limited (Formerly Manipal Utility Packaging Solutions Private Limited) (Transferor Company 1), Securipax Packaging Private Limited (Transferor Company 2), Horizon Packs Private Limited (Transferor Company 3) with and into JK Paper Limited (Transferee Company) and reduction and conversion of Redeemable Preference Shares of Enviro Tech Ventures Limited (Demerged Company for Part 'E' of the Scheme and Transferor Company 4 for Part 'F' of the Scheme) into unsecured loan and Demerger of Demerged Undertaking of Enviro Tech Ventures Limited (Demerged Company for Part 'E' of the Scheme and Transferor Company 4 for Part 'F' of the Scheme) into PSV Agro Products Private Limited (Resulting Company) and amalgamation of Enviro Tech Ventures Limited (Demerged Company for Part 'E' of the Scheme and Transferor Company 4 for Part 'F' of the Scheme) with and into JK Paper Limited.	FOR	FOR	The scheme simplifies the group structure by merging three wholly owned packaging subsidiaries into JK Paper Limited (JKPL), demerging Enviro Tech Ventures Limited's (ETVL) non-paper trading arm into PSV Agro Products Private Limited (PSV) and subsequently merging the residual paper and packaging business (including Sirpur Paper Mills, 95.05% held by ETVL) into JKPL. This consolidation will reduce compliance duplication, eliminate intra-group inefficiencies, and improve capital allocation. The conversion of redeemable preference shares into unsecured loans is a mechanical step to enable the demerger, with the loan extinguished upon merger completion. The valuation of ETVL appears in line with peers, and the dilution on account of issuing shares to ETVL's shareholders is ~6.5%, which is reasonable. The transaction will help consolidate Sirpur Paper Mills, which holds a similar business, into the company. We support the resolution.

Q3	28-11-2025	Zee Entertainment Enterprises Limited	PBL	Management	Appointment of Mr. R Gopalan (DIN 01624555) as a Non-Executive, Non-Independent Director of the Company, liable to retire by rotation.	FOR	AGAINST	Mr. R Gopalan, 73, a retired IAS Officer and Non-Executive Chairperson, has been on the board as an Independent Director since November 2019. Post completion of his second term on 24 November 2025, the company seeks to continue his directorship in a non-independent non-executive capacity. Although his appointment is in line with statutory requirements, we believe as Chairperson; the board, under his leadership, failed to provide adequate oversight on the critical ZEE - Sony merger, despite its material implications for the company. Furthermore, at the 2024 AGM, even after ZEEL's shareholders did not support Punit Goenka's reappointment to the board - under his Chairmanship, the board continued to support Punit Goenka and appointed him as CEO, even though, in our view, investors were seeking a change. The board, under his Chairmanship, also proposed to issue warrants to the promoter group allowing them to increase their equity in ZEEL to 18.39% from the current 3.99%. The resolution too was defeated, reinforcing, in our opinion, shareholder concerns about governance and the need for leadership change. Considering these developments, we believe the long-term interests of non-promoter shareholders would be best served by a complete reconstitution of the board with an independent and unconflicted slate of directors. Therefore, we do not support the resolution.

We understand the company continues to undertake related party transactions without shareholder approval even after the concern raised by SEBI. These matters are within the ambit of the top management responsibilities. We do not support the resolution.

Q4	05-03-2026	Linde India Limited	EGM	Management	Approval of material related party transaction(s) with Praxair India Private Limited for an aggregate value of INR 4,177 million for the financial year 2025-26.	FOR	AGAINST	Linde India has undertaken transactions aggregating Rs. 3.3 bn with Praxair for the nine months ended 31 December 2025. The value of these transactions has crossed the materiality thresholds. SAT dismissed the company's appeal over the SEBI order, and the Supreme Court, having admitted the company's appeal has not granted a stay. Therefore, the company is seeking shareholder approval for the related party transactions for FY26. The transactions are operational in nature. The company explained how arm's length pricing was applied to sales but has not addressed purchases. The board must explain how it assessed purchase pricing. The need for these related party transactions has arisen for two reasons – a business divide created by the parent between Praxair and Linde India, and the failure to merge these two entities in India, notwithstanding the merger of Linde plc and Praxair Inc globally. At the 2021 AGM, the shareholders rejected the proposal to undertake related party transactions with Praxair: investors' concerns with respect to the lack of merger and the forced division of business between the two companies remain unresolved. We raise concern that instead of addressing investors' concerns, the board took a nuanced legal interpretation of the regulations and decided to continue with these transactions without shareholder approval. SEBI having passed significant strictures against the company for its practices in its July 2024 order, and its appeals not materializing before higher jurisdictions, has resulted in the company needing to seek shareholder approval. Linde India is yet to seek shareholder approval for related party transactions undertaken between 1 January 2021 and 31 March 2025. SEBI also directed the company to value the "business foregone and received" due to the diversion of business to Praxair due to the parent's division. The company has yet to publish this estimate or explain how the board will address the lost opportunity. We therefore do not support the resolution. We also note that under its related party transaction policy, the material modification limit is upto 25% of the approved limit, which is considered relatively high.

Q4	19-03-2026	Canara HSBC Life Insurance Company Ltd	PBL	Management	To approve the Amendment of Articles of Association to provide Nomination Rights to Canara Bank (CB) and HSBC Insurance (Asia-Pacific) Holdings Limited (INAH).	FOR	AGAINST	As on date, Canara Bank holds 36.50% and HSBC Insurance (Asia-Pacific) Holdings Limited (INAH) holds 25.50% of the equity share capital of the company; both are designated as Promoters. The proposed amendment allows Canara Bank and HSBC Insurance (Asia-Pacific) Holdings Limited to nominate three and two directors, respectively, to the board, as long as they continue to be classified as promoters. In the event INAH's shareholding in the company exceeds that of Canara Bank, INAH will be entitled to nominate three directors, while Canara Bank will be entitled to nominate two directors. These nomination rights will remain in force as long as Canara Bank and INAH continue to be classified as promoters or hold any shares in the company. Therefore, in case the promoter shareholding reduces – either through sale or dilution – they will continue to hold these board nomination rights. We believe board nomination rights must be linked to a shareholding threshold: we support board nomination rights in the ratio of shareholding, with a baseline shareholding of at least 10%. Therefore, we do not support the resolution.

These measures are expected to enable the bank to achieve a CRAR of 17.5%. At current market price of Rs 120.95 per share, the bank will have to issue ~ 62.0 mn shares to raise the entire Rs 7.5 bn. This will lead to a dilution of ~ 5.3% on the expanded capital base. The bank's free float capital is Rs 54.1 bn. Raising capital and strengthening the balance sheet will help protect the bank against unforeseen risks, provide a buffer to absorb potential impact arising from any deterioration in asset quality and help ensure capital adequacy remains above regulatory norms. We support the resolution.

Further, we do not support the reappointment of Independent Directors if their aggregate tenure with the company or the group exceeds ten years, as we believe this is not in line with the spirit of the regulations.
