Q1	19-05-2025	Eternal Ltd	PBL	Management	To consider and approve a cap of up to 49.50% on the aggregate foreign ownership.	FOR	FOR	As on 31 March 2025, the domestic ownership of the company was ~55% and the foreign ownership was at 45% of the fully diluted share capital of the company. This will allow the company operational flexibility, particularly in the quick commerce business (Blinkit). Blinkit currently operates as a third-party marketplace relying entirely on third-party sellers that own the inventory of goods sold on the platform. IOCC status opens the door for indirect inventory ownership, which allows expansion into underserved categories and potentially enhance margin. Thus, the board proposes to cap the foreign ownership of the company at 49.5% of the paid-up share capital. We support the resolution.

FOR	AGAINST	There is a lack of a compelling need for additional capital given the company's liquidity position. The issue is further accentuated in ZEEL's case, where the promoters are being allowed to increase their stake to 18.39% from the current 3.99% - we believe this decision significantly undermines the voice of non-promoter shareholders. ZEEL's shareholders did not support Punit Goenka's reappointment to the board at the 2024 AGM, which, in our opinion, is testimony of investors wanting a change in management and control. Under his leadership, the company has experienced a failed merger, regulatory scrutiny, and erosion of shareholder value. Despite this, the board has continued to back Punit Goenka, enabling him to remain in charge despite not holding a board position. The board is now allowing Punit Goenka and the promoter group to be further entrenched in the company by consenting to the family / promoter group increasing its stake. We do not support the resolution.

Q2	14-08-2025	Linde India Limited	AGM	Management	To receive, consider and adopt the Audited Standalone Financial Statements of the Company for the financial year ended 31 March 2025 together with the Reports of the Board of Directors and the Auditors thereon and the Audited Consolidated Financial Statements of the Company for the financial year ended 31 March 2025 together with the Report of the Auditors thereon.	FOR	AGAINST	The auditors have qualified the financial statements citing uncertainties with respect to the outcome of the ongoing legal and regulatory proceedings against the company's interpretation of related party transactions following a SEBI order. SEBI through its order dated 24 July 2024 has asserted that the company's interpretation of related party transactions was incorrect; the transactions were undertaken based on legal opinions despite not receiving shareholder approval. The auditors have raised an emphasis of matter with respect to the outcome of the valuation exercise to be carried out as directed by the SEBI order in July 2024. As per the SEBI order, the business allocation arrangement between Linde India Limited and Praxair India Private Limited is an arbitrary reallocation of business which presents a potential risk to the future growth prospects of Linde India, which may not serve the best interests of the public shareholders. Hence, we do not support the resolution.

Q2	14-08-2025	Linde India Limited	AGM	Management	To appoint a director in place of Ms. Mannu Sanganageria (DIN: 09243027), who retires by rotation and being eligible, offers herself for re-appointment.	FOR	AGAINST	Ms. Mannu Sanganageria, 49, is Director of Mergers and Acquisitions at Linde plc group based in Singapore. The board has not addressed minority investor concerns and has failed in addressing issues highlighted by regulators regarding related party transactions and the non-compete with Praxair India Private Limited. We note that the auditors have qualified their opinion with respect to the FY25 financial statements – the reasons for the qualification were the observations in SEBI's Interim Order regarding the related party transactions. The SEBI order requires the company to co-operate in the valuation exercise of the transferred business, which the company appears to be delaying on. Given these issues and the board inability to protect minority shareholders, we do not support the resolution.

FOR	AGAINST	Mr. Abhijit Banerjee, 57, is the Managing Director of the company. We raise concerns that the management has failed to protect minority shareholder interest. We note that the auditors have qualified their opinion with respect to the FY25 financial statements – the reasons for the qualification is in respect to the observations in SEBI's Interim Order regarding related party transactions. We note that the SEBI order dated 24 July 2024, has highlighted that the company undertook related party transactions by using legal opinions and circumventing the shareholders rejection of these related party transactions. These matters are well within the ambit of the management responsibilities and Mr. Abhijit Banerjee is the Managing Director. We do not support the resolution.
