Letter to all the Unitholders of HDFC FMP 1359D September 2022 - Series 46

Dear Unitholder,

Date: May 26, 2026

Sub: Merger of HDFC FMP 1359D September 2022 - Series 46, a close ended debt scheme into HDFC Banking and PSU Debt Fund, an open ended debt scheme

Unit holders are requested to note that the following schemes would be undergoing a merger as detailed in the table below.

Unit holders are requested to note that the merger or consolidation of the scheme/s will tantamount to a change in the fundamental attributes in accordance with Regulation 22 (9) (c) of the SEBI (Mutual Funds) Regulations, 2026 (“**MF Regulations**”). The proposed merger or consolidation shall be carried out by implementing a change in the fundamental attributes of the Merging Scheme.

The Board of Directors of HDFC Asset Management Company Limited (“**the AMC**”) and the and the Board of Directors of HDFC Trustee Company Limited (“**the Trustees**”) have approved the same proposal on **April 16, 2026 and April 17, 2026** respectively. Further, SEBI has also issued its no objection to the said merger vide its letter dated **May 26, 2026**.

For further details with respect to the merger please refer to the points below:

- 1. Name of the Scheme/s merging (close ended) and surviving Scheme (open ended):**
HDFC FMP 1359D September 2022 - Series 46 (“**Merging Scheme**”) and HDFC Banking and PSU Debt Fund (“**Surviving Scheme**”)
- 2. Proposal:** Merger of HDFC FMP 1359D September 2022 - Series 46 into HDFC Banking and PSU Debt Fund.
- 3. Rationale for the merger:** The merger will help investors in the Merging Scheme who have consented for the merger, to continue with their investments in the Surviving Scheme with portfolio consisting predominantly of securities issued by entities such as Schedule Commercial Banks (SCBs), Public Sector Undertakings (PSUs), Public Financial Institutions (PFIs) and Municipal Corporations and such other bodies. The merger will also be more tax efficient for the unitholders of the Merging Scheme as it will not force capital gains on investors on maturity. Investors can continue to avail tax benefits till the time they choose to remain invested, otherwise, they may be taxed at marginal tax rate on the maturity of the merging scheme.
- 4. Public Notice:** A Notice cum Addendum dated **May 26, 2026** announcing the merger has been displayed on the website of the AMC.
- 5. Consequences of merger:** Unit holders of the Merging Scheme who provide consent for the merger will be allotted units under the corresponding Plan / Option of the Surviving Scheme at the Ex - IDCW Net Asset Value (“NAV”) of the Effective Date of the merger. It may be noted that investors under the IDCW options of the Merging Scheme will be allotted units in the existing IDCW option of the Surviving Scheme under the relevant Plan / Option viz Direct / Regular. Refer illustration below for basis of allotment.

Provided that, where units are held without distributor code in the Option / Plan of the Merging Scheme or where ARN is invalid, units of equivalent value in the Direct Plan of the Surviving Scheme under the corresponding

Option will be allotted. Accordingly, the assets and liabilities of the Merging Scheme will be taken over by the Surviving Scheme upon Merger and the Merging Scheme shall cease to exist.

This merger will not result in creation of any new scheme, as the Merging Scheme will merge into the Surviving Scheme. Further, no changes are proposed in any of the scheme provisions of the Surviving Scheme and accordingly, interest of unitholders of Surviving Scheme shall not be adversely affected on account of the proposed merger.

6. Positive Consent Period for Merging Scheme and Exit Option period for Surviving Scheme: May 29, 2026 to June 29, 2026 (both days inclusive)

7. Effective Date of merger: June 30, 2026

8. Basis of allotment of new units by way of a numerical illustration:

| | | |
|---|-----------------|----------|
| Effective Date of Merger June 30, 2026 | | |
| NAV per unit of the Plan / Option of the Merging Scheme | (A) | ₹20.000 |
| Units outstanding in Merging Scheme | (B) | 50.000 |
| Outstanding value in Merging Scheme | (A) X (B) = (C) | ₹1000.00 |
| NAV of the corresponding Plan / Option of the Surviving Scheme | (D) | ₹25.000 |
| Units allotted in the corresponding Plan / Option of the Surviving Scheme | (C) / (D) = (E) | 40.000 |
| Value of the units allotted in the Surviving Scheme | (D) X (E) = (F) | ₹1000.00 |

As can be seen above, the value of units held by an Investor before and after the merger will be the same.

Please note that the aforesaid is only an illustration and the actual number of units to be allotted under the Surviving Scheme will be determined by the value of units held in Merging Scheme and the NAVs of Merging Scheme and Surviving Scheme on the Effective Date of Merger.

| | This scheme has exposure to floating rate instruments and / or interest rate derivatives. The duration of these instruments is linked to the interest rate reset period. The interest rate risk in a floating rate instrument or in a fixed rate instrument hedged with derivatives is likely to be lesser than that in an equivalent maturity fixed rate instrument. Under some market circumstances the volatility may be of an order greater than what may ordinarily be expected considering only its duration. Hence investors are recommended to consider the unadjusted portfolio maturity of the scheme as well and exercise adequate due diligence when deciding to make their investments | | | | | | | | |
