Investment Objective

To seek long-term capital appreciation/income by investing predominantly in equity and equity related securities of companies engaged in or expected to benefit from the growth and development of infrastructure. There is no assurance that the investment objective of the Scheme will be achieved.

Why invest in HDFC Infrastructure Fund?

- Invests in India's infrastructure space through asset developers, asset owners and asset financiers.
- Infrastructure plays a critical role in India's self-reliance and economic prosperity, receiving significant focus from the government.
- Investors can benefit from the growth and development of infrastructure due to increased budgetary capital spending and favourable policies.
- The current portfolio strategy focuses on three segments :
 - o Asset Financiers - Banks and Infrastructure financing companies
 - o Asset Developers - Companies that construct / develop infrastructure projects
 - o Asset Owners - Companies that commission infrastructure projects largely for self-use
