

HDFC Business Cycle Fund

(An open ended equity scheme following business cycle based investing theme)

September 2025

AUM

August 2025 INR 2,888.32 Cr.

Investment Objective

To provide long-term capital appreciation by investing predominantly in equity and equity related securities with a focus on riding business cycles through dynamic allocation between various sectors and stocks at different stages of business cycles. There is no assurance that the investment objective of the Scheme will be achieved.

Why invest in HDFC Business Cycle Fund?

- Aims to invest in businesses likely on the cusp/midst of favourable business upcycle, avoid businesses about to enter/in a downcycle.
- Provides an opportunity to benefit from both earnings growth and improved valuations typically observed during business upcycles.
- Utilizes combination of top-down and bottom-up approaches for portfolio construction.
- Offers adequate diversification across market caps, number of stocks, sectors and sub sectors, with an active approach towards business cycle selection.
