

Presenting the HDFC Banking and PSU Debt Fund

HDFC Banking and PSU Debt Fund focuses on generating regular income by investing predominantly (a minimum of 80%) in debt securities issued by Public Sector Undertakings (PSUs), Public Financial Institutions (PFIs), banking companies, and municipal bonds. The defined universe of securities ensures relatively high credit quality of the portfolio.

The scheme is ideal for those with an investment horizon of more than 12 months as the investment benefits from 2 income streams - current yield and capital gains - while retaining the credit quality of the portfolio.

Investment Objective

To generate income/capital appreciation through investments in debt and money market instruments consisting predominantly of securities issued by entities such as Scheduled Commercial Banks (SCBs), Public Sector undertakings (PSUs), Public Financial Institutions (PFIs), Municipal Corporations and such other bodies. There is no assurance that the investment objective of the Scheme will be achieved.
