

## AUM

December 2025
INR 2,452.15 Cr.

## Investment Objective

To seek long-term capital appreciation by investing predominantly in equity and equity related securities of companies engaged in or expected to benefit from the growth and development of infrastructure. There is no assurance that the investment objective of the Scheme will be achieved.

## Why invest in HDFC Infrastructure Fund?

- Invests in India's infrastructure space through asset developers, asset owners and asset financiers.
- Infrastructure plays a critical role in India's self-reliance and economic prosperity, receiving significant focus from the government.
- Investors can benefit from the growth and development of infrastructure due to increased budgetary capital spending and favourable policies.
- The current portfolio strategy focuses on three segments :
  - Asset Financiers - Banks and Infrastructure financing companies
  - Asset Developers - Companies that construct / develop infrastructure projects
  - Asset Owners - Companies that commission infrastructure projects largely for self-use

Scheme riskometer as of December 31, 2025

The Scheme being thematic in nature carries higher risks versus diversified equity mutual funds on account of concentration and theme specific risks. Stocks/Sectors/Themes referred should not be construed as an investment advice or a recommendation by HDFC Mutual Fund ("the Fund") / HDFC AMC to buy or sell the stock or any other security covered under the respective sector/stocks/themes. The Fund may or may not have any present or future positions in these stocks/sectors/themes.

**\$\$ Exit Load:** (i) No Exit Load shall be levied for switching between Plans / Options within the Scheme. However, exit load will be applicable if the units are switched-out / redeemed from the Scheme within the exit load period from the initial date of purchase. (ii) Switch of investments between Plans under a Scheme having separate portfolios, will be subject to applicable exit load. (iii) No exit load will be levied on Bonus Units and Units allotted on IDCW Re-investment. (iv) The exit load levied on redemption/switch-out will be the load prevailing 1. In case of lumpsum transactions, on the date of allotment of units 2. In case of Systematic Transactions such as SIP, STP etc., on the date of registration / enrolment.
