

Fund Positioning

HDFC Gilt Fund invests in sovereign securities issued by the Central and State Governments in India across maturities, on the basis of interest rate outlook with a focus on offering credit risk free returns over a medium to long term. Global & Local macroeconomic variables such as growth, inflation, currency & Liquidity are evaluated to arrive at an interest rate outlook & position the portfolio accordingly. The scheme is ideal for those with an investment horizon of more than 18 months.

Investment Objective

To generate credit risk-free returns through investments in sovereign securities issued by the Central Government and/or State Government. There is no assurance that the investment objective of the Scheme will be achieved.
