Investment Objective

To provide long-term capital appreciation by investing predominantly in equity and equity related securities of companies engaged in the manufacturing activity. There is no assurance that the investment objective of the Scheme will be achieved.

Why invest in HDFC Manufacturing Fund?

- Invests in companies that are engaged in manufacturing activity, positioned to benefit from Government's Make in India initiatives.
- Manufacturing theme over the next decade is expected to reduce India's imports dependence, increase exports and create employment opportunities in India.
- Manufacturing sector is expected to drive overall growth with its share in economy likely growing from 15% to 20% by 2030*
- Manufacturing is a theme which allows exposure to growing Consumption, investments, and exports, changing geopolitical dynamics in a multipolar world with India emerging as a credible supply chain partner.
- Portfolio construction is based on bottom-up research ideas which could have long runway for growth
