Investment Objective

To generate long term capital appreciation/income by investing in equity & equity related instruments of up to 30 companies. There is no assurance that the investment objective of the scheme will be achieved.

HDFC Focused Fund: Investment Strategy

- The Scheme seeks to generate long term capital appreciation/ income by investing in equity & equity related instruments of up to 30 companies.
- The Scheme would have the flexibility to invest across market capitalization.
- Focus on strong companies with growth drivers in medium to long term, especially those which are competitively placed in an industry with good prospects
- Emphasis on Strong Management with an ability to capitalize on opportunities while managing risks
- Shall consider track record of corporate governance, ESG sensitivity and transparency
- Focus on valuation to provide reasonable margin of safety, without relying solely on traditional parameters like P/E or P/B
- Stock selection will be strategic and long term in nature
