Investment Objective

To generate capital appreciation / income from a portfolio, comprising predominantly of equity & equity related instruments. There is no assurance that the investment objective of the Scheme will be achieved.

HDFC ELSS Tax saver ("the fund") – Fund Positioning and Investment Strategy

- Focus on strong companies with growth drivers in medium to long term, especially those which are competitively placed in an industry with good prospects
- Emphasis on Strong Management with an ability to capitalize on opportunities while managing risks
- Shall consider track record of corporate governance, ESG sensitivity and transparency
- Can invest across market cap segments
- Focus on valuation to provide reasonable margin of safety, without relying solely on traditional parameters like P/E or P/B
- Considering the long term nature of investments in the Scheme, stock selection will be strategic and long term in nature, instead of tactical
- The Fund is suitable for investors who want to save tax, but also would like to invest in a diversified equity portfolio and participate in long term growth of quality companies
