

AUM

June 2026

INR 29,284.71 Cr.

Investment Objective

To generate long term capital appreciation/income from a portfolio, predominantly invested in equity and equity related instruments. There is no assurance that the investment objective of the Scheme will be achieved.

HDFC Large and Mid Cap Fund - Investment Strategy

- The Fund invests in a diversified portfolio of Large and mid sized companies with better growth potential
- Controlled exposure to different market cap segments helps mitigate market cap bias risk.
 - Minimum 35% Large Cap - More established companies with good track records
 - Minimum 35% Mid Caps - Potential for faster growth
- The Fund will follow a mix of both Bottom Up and Top-Down Strategy for theme and stock selection
- Strong emphasis on risk management to mitigate the inherently greater volatility of a portfolio dominated by large and mid cap companies
