Investment Objective

To provide long-term capital appreciation by investing predominantly in equity and equity related instruments of companies engaged in banking and financial services. There is no assurance that the investment objective of the Scheme will be achieved.

Why invest in HDFC Banking & Financial Services Fund?

- Invests in India's Banking and Financial Services space, which has outpaced GDP growth and is now on a digital accelerator.
- Opportunity to benefit from robust GDP growth, rising penetration, the sector's recovery after a decade of challenges, and a favourable portfolio positioning aligned with macro trends.
- Aims to invest in companies that are leaders or gaining market shares through superior execution, scalability, adoption of technology, etc.
- Seeks to achieve diversification and management of risks by investing across sub-segments of financial services sector.
