August 30, 2025) ##Crisil 10 Year Gilt Index. Scheme performance may not strictly be comparable with that of its Additional Benchmark in view of the hybrid nature of the scheme where a portion of scheme's investments are made in equity instruments. This scheme is managed by Anil Bamboli from June 28, 2014.						

Past performance may or may not be sustained in future and is not a guarantee of any future returns. Returns greater than 1 year period are compounded annualized (CAGR). Different plans viz. Regular Plan and Direct Plan have a different expense structure. The expenses of the Direct Plan under the Scheme will be lower to the extent of the distribution expenses / commission charged in the Regular Plan. Load is not taken into consideration for computation of performance. Since Inception Date = Date of First allotment in the Scheme / Plan. N.A: Not Available
